

SURFCENTER

Surfing gear and pedal boat rental

- 1) It is the renter's responsibility to hand back gear and other material in the same condition as it was before being acquired.
- 2) If any gear or material has been destroyed or damaged, the renter must reimburse Surfcenter for the repair cost. Please inspect your equipment before and after you have used it. Minors can rent gear and equipment but there must be an adult around, any agreement must be signed by a parent. *All activity takes place at your own risk.*
- 3) Gear and equipment shall be clean and placed in the right spot at Surfcenter upon returnal. It must be handed back on the agreed time. If overdue there will be a fee added to your price SEK 100 per equipment per 15 minutes – this applies even if you are 10 minutes late or have not cleaned your equipment. Plan your time accordingly.
- 4) Renter is liable for any damages to the equipment that arise during their rental period and will pay for reparation- and the cost of material. Any damages shall be reported at the returnal of rented gear and equipment.
- 5) Destination Apelviken charges SEK 350 per hour plus the cost of material for reparation.
- 6) The Renter will be liable if any of the rented-out equipment and gear gets stolen during the rental period and will pay its value in full. Most home insurances include borrowed and rented objects. Speak with your insurance company if you are unsure.
- 7) Renter is responsible for any injuries caused to a third party.
- 8) The Renter must look after the equipment and gear well, and follow instructions about care, maximum weight etc. These instructions will be carried out when gear is rent out.
